Obituary.

Martin V. McCoy, son of Joseph and Mary McCoy, was born in Highland county, Ohio, October 30, 1836, and departed this life December 2, 1917, aged 81 years, 1 month and 2 day. He was the sixth child of a family of eleven children, six boys and five girls. All have preceded him to that home not built with hands, eternal in the skies.

He joined the church at Union Chapel when quite young and gave God his heart.

On the 8th day of march, 1878, he was married to Sara Trout. To this union one child was born, a son, who stayed with them one short year and God took the little bud and transplanted it up in heaven. Twenty-three years ago his wife left this world and went to be with her little son and they together have been watching and waiting for father to come and it will be a happy reunion when he greets his loved ones on the the other shore. No doubt uncle Mart. (as every one called him) had many lonely hours, but he was of a cheerful disposition, kind hearted and seemed to love every one.

For several years he had been very feeble, but as his body grew weaker his faith in God seemed to grow stronger. His favorite song in class meeting was this; "There is so much sorrow here below but there will be none up in glory." What a consolation that is in these times of war, sorrow and strife of every kind, that we can know if we live in accordance with God's will when we die we can go to a place where there will be no more sorrow, our tears will be

Celebrate Golden Wedding.

In part, the New Vienna Repo carries the following account of t golden wedding anniversary of Mr. and Mrs. T. J. McCune of that village celebrated on Jan. 14th:

Fifty years is a brief span when looking backward and as this aged and happy couple talked over the things that had gone before they came to the conclusion that the Apostle Paul was correct when he said that it was not good for man to be alone, and that had they to do the same thing over again it would be the same partner each would select.

A half century and a year ago T. J. McCune, then a handsome, dashing youth in his twenties, laid siege to the fair Margaret A. Pittser, who was born in Lynchburg, Highland county. But women have ever been the same since the days of Eve, and T. J's advances, while received pleasantly, gave him little encouragement, and so he determined to bring up his heaviest artillery against her heart.

Thus it was that the brighteyed Margaret surrendered unconditionally, and half a hundred years ago [illegible] ary 14, 1868, to be exact, they [illegible] married near New Vienna [illegible] Abraham Frazier [illegible] duits witnessed the [illegible] one is alive to day.

Dan. Morgan and Willard Wilson, of Hillsboro, who, after a course at Fort Benjamin Harrison were commissioned as second lieutenants and later assigned to duty at Camp Sherman, Chillicothe, have again been promoted. They are now entitled to wear the single bar which indicates that they have been advanced and are now first lieutenants. This shows that both of the boys have been faithful to their duties which ended in their promotion.

Next week the Gazette expects to publish a letter from Clarence (Big Foot) Wilkin, one of the local bays at Camp Sheridan, Ala. When "Gash" Raines was here on a furlough a couple of weeks ago, he stated that Clarence was considered the best barber in the ordnance department—in fact in a class by himself—as there were no other barbers in that particular department. If that is the case his letter should be "keen" and full of interest. "Gash" also stated that Wilkin began his career as a tonsorial artist by shaving the tassels off of corn with a [illegible] corn knife which [illegible]

Dr. J. C. Larkin, who had for the last six months been in the medical corps of the aviation department of the United States Army and whose headquarters were at Dayton, Ohio, has returned home, having been honorably discharged from the service on account of physical disability. Dr. Larkin, who ranked as a first lieutenant had been sent to Fort Hons[illegible], Texas, in command of a company of soldiers for that branch of the service and was relieved from duty upon his return to Wright Field. Dr. Larkin was greatly pleased with his military experience but thoroughly disappointed because of the fact that he could not be of greater assistance to his country. However, he did his part, as well as possible, and due credit should be given him. The Doctor has lost track of ordinary business affairs in the meantime and probably will not resume active practice before the first of February.

UNIQUE PLAN PROPOSED

"Baptist" Hens Will Do Their Bit In Helping Win the War.

Eggs Will Be Pledged to Baptist War Fund for Week Beginning March 17, and Which Is Designated "Golden Egg Week."

How mighty is the egg?

The humble hen will raise one-tenth of the $100,000 Ohio Baptists are subscribing for war work, according to W. D. Chamberlin, wealthy Dayton manufacturer, who sprang his plan at the district "setting up" meeting at Lima last Friday night.

Seventy-two million dozen eggs is the yearly output of Ohio hens, which, according to the most recent available statistics, number 12,485,338. At least one-sixtieth of these are Baptist hens in good standing, enthusiastic laymen of the denomination declare. Their eggs will be pledged to the Baptist war fund for the week of March 17, which is designated "Golden Egg Week."

Twenty-four thousand dozen eggs laid in one week in Baptists chicken-roosts of Ohio will, according to this estimate, yield $10,000 to the campaign.

"Baptists hens will be mobilized for service." Mr. Chamberlin declared. "At a conservative estimate each egg will be worth 3 1-3 cents.

"One African missionary can get a year's support at $900 salary from 27,272 Ohio eggs.

"Twelve thousand eggs will give yearly livelihood to one home missionary.

Four and a half million eggs will finance national Baptist work in army camps."

Mr. Chamberlin suggested that farmers' wives stack the eggs their hens lay the week of March 17, on the alter the following Sunday.

The state campaign for $100,000 by March 31, is part of a national movement of Baptist laymen, to organize for war work and to raise an extra million to meet expenses necessitated by the war.

WAR SAVINGS STAMPS

Names of Those In Highland Who Purchased $1,000 Worth Are Desired.

R. L. Boulware, Publicity Agent of the Local War Savings Committee, Gives Interesting Information For Gazette Readers.

It is the desire of the State War Savings Committee to secure the names of all those who have purchased War Stamps to the amount of $1,000 maturity value, and this committee has asked the local committee to secure the names of those in Highland county who have purchased that amount. When their names have been sent in a certificate will be issued to each person signed by Governor Cox, and State Director Wolfe. These certificates are handsome and suitable for framing. The local committee is not in the possession of these names, but if those who have purchased these securities will notify the Chairman, O. N. Sams, or R. L. Boulware, Hillsboro, Ohio, their names will be forwarded to State Headquarters and the certificates will be issued.

Last week there was a falling off in the amount of stamps sold. We must be on our guard and not forget that our quota is $74,000. In order to reach our quota it will be necessary for us to keep up the standard we set in the first three months of the campaign. If we do that we will be able to pay in our share without undue effort and without the necessity of a spirited campaign later in the year.

Let War Stamps and Thrift Stamps take the place of birthday presents in your homes for the rest of the year.

One of leading stores has placards placed in conspicuous places which read "Take a part of your change in Thrift Stamps." That is a splendid idea as well as a patriotic spirit. Would it not be well for others to follow their example? The War Savings Committee has a number of these placards on hand and will be glad to furnish them to any merchant upon application. Ask the publicity man about them.

Did you ever stop to think what quarters will do toward winning this war? Read carefully the following table:

One Thrift Stamp, five bullets.

One War Stamp, one pair of shoes

One War Stamp, two woolen shirts

One War Stamp, four winter undershirts.

One War Stamp, one steel helmet and $1.14 over.

One War Stamp, one shelter tent and part payment on overcoat.

These quarters will do the government lots of good, and remember you are not giving them away but loaning them.—R. L. Boulware, Pubicity Agent.

Arbor Day.

Gov. Cox has designated Friday April 12, as Arbor Day. In his proclamation he says:

"Real sentiment is given expression in the planting of a young tree and watching its development and maturity. In the same act a practical service is rendered mankind. The place birds occupy in the destruction of plant pests and the increase thereby of food production is recognized by all. Assistance in this matter is now recognized as a necessary act of patriotic duty."

There will be a pie social at Elton's school house, Wednesday, March 31. Everybody invited. Proceeds for benefit of school.

Parcel post sale and pie supper will be given by the Lutheran Church at the town hall, Saurday night, March 16, at Dodsonville. A good program will be rendered. Proceeds for benefit of church.

Herschel Vance.

Herschel Vance, 17, former dispatch boy at this office, died at the home of his parents on Southern avenue, Hillsboro, Ohio, Wednesday morning, February 27. The lad's father, Lon Vance, is stationed at Camp Sheridan, Alabama, where he went with the local company. The father was called home recently by his son's illness, but the apparent improvement in the boy's health induced the father to return to camp. The boy then grew worse and died.

Funeral services were conducted Sunday afternoon by the Rev. LaVerne Taylor, of the Christian Church in Hillsboro. Interment was made in the Hillsboro cemetery.

Young Vance was well liked by all his associates and his death leaves a gap which cannot be easily filled. He was a willing worker and he made his way into the hearts of all with whom he came in contact. The office misses him and grieves with his parents.—Norwood Republican.

Just Yesterday.

(Christian Herald.)

Just yesterday she held him to her breast,
A tiny, helpless, blue-eyed baby boy,
And dreamed of days when he would stand a man
Before her. Oh, her soul was filled with joy—
Just yesteerday!

Just yesterday her loving hands caressed
His tousled, wind-blown hair and freckled face,
And bound the hurts he knew. How tenderly
She kissed each little scratch and bruised place—
Just yesterday!

Just yesterday she saw him graduate
And scarce could realize her boy had come
To manhood's threshold. Oh, her heart beat high
With hope for him, her stalwart, manly son—
Just yesterday!

Just yesterday her country called her boy.
She did not weep or rail at circumstance,
But bravely bade him do his duty clear.
He kissed her, then he went away to France—
Just yesterday!

Just yesterday her hands were hard at work
With bandages; and as she rolled them tight
She whispered: "Maybe they will be for him,
My boy, who's somewhere over there to-night."
Just yesterday!

On Sunday the body of Ensign Scott North, who died in foreign waters, February 19, was brought here and interment made Monday in the Hillsboro cemetery. Revs. Paist and Bennett conducted brief services at the grave.

His brother, Enos North, and wife, of Rochester, N. Y., and Mrs. Ed. North, the widow of another brother, accompanied the body here.

Ensign North was born March 7, 1883, in Hillsboro, Ohio, and lived here through his youth. He died on the British Hospital Ship, Soudan, after an illness beginning Jan. 5. Death was due to valvular heart trouble. His mother, Mrs. Alice North, an invalid and not able to come on for the funeral, and one brother, Enos North, of Rochestr, N. Y., survivie him. He was a nephew of Dr. Ben. F. Holmes and Mrs. Charles M. Harsha, of Hillboro.

He had served almost seventeen years in U. S. Navy. He enlisted first in the Marine Corps and served three years. After his discharge he worked as an electrician a few months, then again enlisted in the Navy, this time as third class electrician. Steady promotions were won by him until he became chief wireless operator. He served on the Flagship Vermont, the ship of Rear Admiral Evans, who commanded the American fleet when it made the trip around the world while Roosevelt was President.

Later he was chief electrician in charge of the Radio Naval Station at San Juan, Porto Rico.

About two years ago he was recalled to the States and appointed a gunner. Last summer he was notified to take an examination for a commission and August, 1917, was given his commission as Ensign.

A letter fom Rear Admiral Rodman, received since his death, shows the regard in which Ensign North was held by his superior officers. He expressed his sympathy to Mrs. North and spoke in the highest praise of her son. The substance of the letter follows:

Ensign North had served under Rear Admiral Rodman on the Massachusetts, Connecticut and Rhode Island and when he was informed that he was to take a fleet to act in conjunction with the British Royal Fleet that he personally requested the Navy Department to have Ensign North transferred to the New York, the flag ship, for the division as he desired him on his staff as he considered him one of the most capable and efficient officers of his rank in the service in the U. S. Navy.

Scott North showed his inherent ability in rising from a common seaman to ensign in the navy and his fine record, and the high praise of his ability by Admiral Rodman will be a lasting comfort to his family and friends.

Besides the ones mentioned above others from a distance here for the funeral were; Mrs. Pheobe Miller, Norwood, Mr. and Mrs. Enos H. Holmes, Miss Edna and Vernon Holmes, Mrs. Ella Caplinger and John Mason all of Rainsboro neighborhood.

The Voice of Lincoln

"We accepted this war for a worthy object, and the war will end when that object is attained. Under God, I hope it will not end until that time."

Fifty-four years ago when many people were asking, as some are asking to-day, what was the use of the war, Abraham Lincoln replied in the above stirring words.

The voice of Lincoln can be heard in America today. His appeal is for us to keep up the struggle until the object of the war is obtained and the world is made safe for democracy.

Every person in this country has a distinct share to do and YOUR share is to buy LIBERTY BONDS to provide the United States Government with the necessary money for carrying on the war to a successful end.

The more Bonds you buy, the quicker will the war end and the more American soldiers will return home safe and sound.

These American soldiers are risking their lives, but the buyer of LIBERTY BONDS does not even risk his money. When you buy a LIBERTY BOND, in addition to the satisfaction of performing your patriotic duty, you get the best investment in the world—a United States Government Bond, guaranteed by the richest nation in the world.

BUY LIBERTY BONDS

And buy them today from any bank

Obituary.

"And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth; yea saith, the Spirit, that they may rest from their laborers; and their works do follow them."

Cyrus Clinton, son of Jacob B. and Jane Cochran, was born Feb. 21, 1845, and after months of suffering laid down the burden of life April 19, 1918, at the ripe old age of 73 years, 1 month and 29 days.

Mr. Cochran was a member of a family of ten children, five daughters and five sons, and also a member of one of the pioneer families who first settled in Salem township, where all of his life has been spent upon a farm.

On Jan. 9, 1870, he was united in marriage with Rachel Baker and to this union four daughters were born, all of whom are living with the exception of Retta, who died almost fourteen years ago. His wife, "aunt Rachel," as she was commonly known, having preceded him to the great beyond just six years ago to-day. He was a member of the Harwood Christian Church, being confirmed under the pastorage of Rev. E. G. Walk, Jan. 16, 1895.

He was a faithful and loyal support to his church so long as health would permit. His faith was steadfast to the very end. He was always glad and appreciative of the visits of both relatives and friends and of every kindness shown by them. He was very patient during his illness which lasted several months and never murmured or complained. He was an obliging neighbor and one of the best of husbands and fathers. Besides the three daughters, Mrs. Chas. Brewster, of Harveysburg, Mrs. John Fawley, of Union, and Mrs. Chas. Brown, of this place, with whom he has been making his home and who so tenderly ministered unto him, there is left, an aged mother, two sisters, two brothers, two grand-children and a host of relatives and friends to mourn this loss.

He has gone to that land where their is no more sorrow and is looking this way, beckoning to each of his dear ones to come where there will be no more goodbyes.

Funeral service at the Christian Church at Harwood Sunday, April 21st, by Rev. Miller, after which he was laid to rest in the family lot in Harwood cemetery.

The community, in which Thomas Martin lived, in Clay township, was shocked when the word of his suicide, early Wednesday morning was noised about. He had been in declining health for two years and at times was very dispirited and despondent, though he had not spoken of ending his own life.

His wife and daughter had gone down stairs to prepare breakfast and when he did not come down as usual his wife went to his room and found him dead. He had placed a shot gun against his head and discharged it. Death must have been instantaneous.

He was a good citizen and excellent man, and his mind, unbalanced by his suffering, made him irresponsible.

He was about forty-five years of age and leaves a wife, one daughter about eighteen, two sons, one twenty-one and one thirteen years of age.

Obituary.

James Spilker, son of James and Anna Spilker, was born Oct. 31st, 1895; died at the home of his mother, April 17th, 1918, aged 22 years, 6 months and 16 days.

When 14 years of age he united with the Evangelical Lutheran Church at Dodsonville, of which he remained a most consistent and faithful member. He loved his church with a zeal that should be emulated by his many young friends and associates. He was even ready and willing to contribute of his time and means to the support of the church and the cause he loved so well and thus not only won the confidence of all who knew him, but, had the satisfaction of an approving conscience. He possessed a fine Christian character, was naturally of a retiring disposition and reserved at times almost to a fault. But to know him was to love him. Those who knew him best loved him most.

His father and brother preceded him to the eternal world, his father having died Nov. 14th, 1895, and his brother about two weeks before him. He leaves a mother, nine sisters, many other relatives and friends to mourn his sudden and premature death. But we lay him to rest in the assurance that their loss has been his eternal gain.

An Answer.

Sugartree Ridge, Ohi

To one part of the citizens of Mow
rystown:

Over the highways of old Highlan
we bound at a very moderate gat
Seeking some pleasure in an automo
bile, after a week of hard work,
But the cops of Mowrystown seeme
waiting for some one to jerk.
They stand waiting and ready wit
club in hand and mouth waterin
, and looking sour,
Only to seek a slim chance to bunc
some one for a sack of flour.
The Liberty Loan seems the questio
which should concern all American
now,
But we wnoder as we read those fe
lines from some hard shelled nu
of that town, how much sponduli
he gave and earned by the swea
of his brow.
We ask, did he ever wield a spade o
shovel and help turn the soil o
Ohio to help feed our boys on the
line that are fighting and dying
now,
His hands are whitened with shad
and his feet trodden sore from hi
beat,
But again we ask, does he help to til
the soil to produce wheat?
His mouth is open and ready to hel
devour what those farmer boys pro
duce,
But, never in his life did he raise
enough to feed a goose.

THE WAR'S RECOMPENSE

The original of this verse was found on an American soldier who bravely fought and as nobly died. The man is yet unknown.

We who have faith to look with fearless eyes
Beyond the tragedy of a world at strife,
And know that out of death and night shall rise
The dawn of fuller life,

Rejoice, whatever anguish, and the fear
That God has given you a priceless dower
To live in these great times and have your part
In all the splendor and the glory and the pain
Of this immortal hour.

Miss Marjorie Wilson, of Kankakee, Ill., is the guest of Dr. and Mrs. Roy S. Rogers.

Fretting under the knowledge that he had a cancer on his jaw and believing it was incurable, James Taylor, who resided about one-half mile north of Hoaglands committed suicide by hanging himself to the limb of a tree on his premisees last Tuesday morning.

For a number of years Mr. Taylor had been suffering with the disease which eventually led to his death and it is said his family had been watching him as his mind was believed to be unbalanced.

About 10:30 o'clock last Tuesday morning his wife who had been keeping watch over him awakened to find that he had gone. She at once began to search for him and summoned some of the neighbors. Oscar Groves and Chas. Zink responded and they finally found the body of Taylor hanging to the limb of a tree which was so small that he had to hold his feet off the ground in order to take his life.

Mr. Taylor, who was aged about 70 years, is survived by his wife and five children. Funeral services were held yesterday morning at the church in Hoaglands.

Tribute to Mrs. McSurely.

Mrs. Hulda Taylor McSurely, wife of Dr. W. J. McSurely, died Saturday evening, May 18, in Oxford, O., at her home, corner of Campus Avenue and Walnut street, of cardiac asthma, after an illness of several weeks. Her parents were of the old-Psalm-Singing stock in South Carolina. They began their married life in Tennessee, but some slaves coming into their possession by inheritance, and being opposed to slavery, they moved to Sparta, Ill., taking their slaves with them and freeing them.

Her father, John Kennedy Taylor, was an elder in the Reformed Presbyterian Church for many years, and her mother, Sarah Wylie, was of the Wylie family, well known in Covenanter circles.

Mrs. McSurely was born near Sparta, Ill., August 14, 1837. She was educated at Union Academy, Sparta, and at the Oxford Institute now the Oxford College. She united with the church in her fourteenth year. She was married to Rev. William McSurely, who was at that time pastor of the U. P. Church in Oxford, on November 12, 1860, and for more than fifty-seven years was his companion and helper.

In the U. P. Church at Oxford, and in the Presbyterian Churches at Loveland and Hillsboro, O., she was the pastor's wife, faithful to all her responsibilities and useful and exemplary in her life. During the long pastorate years in Hillsboro, she was a mover in organizing the Woman's Missionary Society, and at different times was its president. She also taught in the Sunday School. She was a born teacher and she loved to teach.

Though never physically strong, she conscientiously tried to do her part. She was one of the first band of Crusaders in the Women's Temperance Crusade, which went out from the Presbyterian Church in Hillsboro, in December, 1873. This movement gave rise to the W. C. T. U. and to other temperance movements.

Mrs. McSurely is survived by her husband and three children—William McSurely, Applegate Court Judge, Chicago, Ill.; Mrs. Clara McSurely [illegible], assistant librarian at Miami University, and James K. McSurely, salesman for the Lexington Rolling Mill Co., Lexington, Ky.

She was a good wife, a good [illegible] and a powerful Christian; cordial, and sincere and unassuming, she made many friends. Her ready sympathy called out the confidence of people who were in trouble. A long and useful life has come to its earthly end.

The funeral took place Tuesday afternoon, May 21, from the McSurely home. The services were in charge of Rev. W. J. Frazer and Rev. J. W. Clokey. Burial in the Oxford cemetery.

HUMORIST HAD LAST LAUGH.

How Mark Twain Turned Joke on Vienna Authorities Will Be New Story to Many.

The letters of Mark Twain record but little concerning the years he spent in the Austrian capital, the Christian Science Monitor observes. The humorist did some special writing for American papers during those "Wanderjahre." Indeed, the Vienna journalists took him to their hearts as a colleague of a particularly genial type and often invited him to a friendly "spread," at which the guests were members of the Austrian fourth estate. The story of how he got into trouble with the authorities, through the indiscretions of a Vienna journalist, has probably never been published.

As the tale goes, a certain reporter, either in a facetious or a vindictive moment, gave out that Mark Twain had been seen suspiciously loitering about the bridge which spans the Danube canal near the Ring strasse, and not far from the Hotel Metropole, at which the Clemenses lived. Mark could not let this reflection upon his character go unchallenged. He hastened to explain—to apologize, in fact, for having given the authorities the slightest anxiety about him.

The explanation was thoroughly Twainlike. He had found by the bridge the longest German word he had ever seen and, in order to comprehend it in all its longitude and latitude, he had pinned one end of it to the bridge with the idea of unfolding it. Bearing his precious burden with him, he came to the opposite end of the bridge, only, alas, to find that he still had yards to spare! The apology was accepted with many a broad grin.

Ford tractors the first of last week. He gave a demonstration last Saturday to about 250 farmers in the Paul Carron field here in town. He plowed three acres and made it ready to plant; it worked to such great perfection and the farmers were so well pleased with the work he did that the demand was greater than he could fill. He sold two that went to Manchester, one to Sardinia, one to Lwnchburg, one to Leesburg and one to Hillsboro and he kept one. It certainly looks like the demand at present will be greater than the supply.

Obituary.

Joseph Wilfred Smart, one of nine children, four girls and five boys, was born to John and Mary Smart near Belfast, Highland county, Ohio September 11, 1849, and passed to his eternal rest at his late home near Berryville, Ohio, June 19, 1918, aged 68 years, 9 months and 8 days. Joe spent all of his life near Belfast. In November, 1872, he was united in marriage to Miss Sarah Mullenix and to this union was born nine children four dying in infancy. Those surviving are: Mrs. Ollie Kelly and Mrs Allie Beekman, of Berryville, Clifford of New Petersburg, and Pearl and Ulric, who so willingly gave up all earthly joys and life's pleasures that they might be a comfort to their father. While his health had not been of the best for the last few years, yet his passing to the great beyond came to the family and friends as a clap of thunder from a clear sky. Joe. was possessed of a quiet and genial nature that made for him many friends among his associates, and his attachment to home and friends, his honesty and uprightness in his intercourse with his fellowmen are examples of his true worth of which we all admire. Joe. was never happier than when he could do something for others. Truly can it be said that he did more to help his friends than himself. He never considered his own welfare, but always the welfare and comfort of others. In sickness and death he was always there ready to lend a helping hand. Joe. was a friend and neighbor when ever called upon. Ever since his dear companion was called up higher on August 23, 1904, he has constantly hovered near home to be with his children and loved ones. He leaves three brothers, five children, four grandchildren and a host of friends to mourn the loss of a father and friend. We do not know, but somewhere in God's own time we'll see.

The following is an extract taken from a letter from Lloyd B. Mignery, Somewhere in France, to his father, Ed. C. Mignery, of Whiteoak township: Thank God for a safe voyage in spite of Hun submarines! About the best that I can write now is that I am as hearty as ever. One can scarcely write of the country, glorious and romantic as it is, without writing of military matters and that I must avoid; although volumes can be written—sometime, when this business is finished. Rural England is too glorious to describe—from what little I saw of it. Little wonder that England has her poets! Small fields separated by neatly trimmed hedges and stone fences, up hill and down.—Queer old English houses of red brick and gray stone snuggled in among clusters of trees and gardens that run riot with flowers—and vegetables, too; for apparently not a square yard of land is wasted.—Everything clean as a pin. It seemed almost a sacrilege to drop a piece of paper along the railroad. It is worth a lifetime of living to feel the inspiration of these scenes in the land of our British allies. And fun—too! No wonder Mark Twain could write "Innocent's Aboard." In my company is an Irishman; our laughs are many; the little double decker cars; the narrow gauge railways with light engines decked in gaudy colors; unbelieveably small freight cars—passenger coaches with doors opening along side. And most of all the money! You hand in a dollar bill at the Y. M. C. A. lunch counter and get in return a cup of hot cocoa and a cart load of coin. In France the contrast is even more marked. Last evening I indulged in a little luxury and bought a canteen full of Chinese tea made by an Englishman. The whole transaction was like this: paid for Chinese tea made by an Englishman in France, and received American change.

For the French people I feel a sympathy that I cannot describe. Never did words seem more inadequate I have tried some of my French jingo upon some of the natives—and am surprised that I could make out fairly well. Will tell you more when I return home.

Since crossing the "pond"—which, by the way, is some pond, signs are only too evident of the Great War. We have heard the distant rumbling of guns—though you must remember that the guns in this war can be heard far, far away. Every shot is a shot "heard round the world" as was said of that first shot at Lexington in 1776. I can see it as never before that though much of the material strength of nations in money and men is being destroyed, the spirit is being reborn. Every man who does not "feel it in his bones" when even this near to the scene of conflict is very much of an ox. I know that sometime in our own country we will see it as do these people; although I am sure that as yet U. S. has not caught the full significance of these "birth pangs" of complete democracy—in industry, in religion, in politics. To this end the world is hastening. An end that is only a beginning. And for me, the soldier, this "text" is a great consolation: "But whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed." (James 1: 25.)

It will not be possible to write often—then mail may be sunk on the way over, but I will write whenever possible. In the meantime let us have faith. This war is fought by faith and we will win by faith.

Lovingly your son,
Lloyd B. Mignery.

Mr. Lafe Lemon,

Dear Uncle Lafe—

I thought I would drop you a few lines to let you know that I am well and hope you are the same. Received your most welcome letter and was very glad to hear from you and to know that you are all well and getting along fine. We had a big rain here last night and it sure was fun to see the boys hunting for a dry place for their cots. It leaked through pretty bad but all of them took it in good humor, for they know it does

pay to get mad here. I heard thi
morning that they were talking o
moving us, but don't know how tru
it is. I got a letter from home an
mother is a lot better. I guess I wil
get a pass for 48 hours and I ca
stay Saturday night and Sunday a
home. Think I will get it Saturda
week.

Well I did one thing we all like t
do that is to sign the pay roll. The
are sure all there when it comes t
that. We will get it about the sec
ond of next month here; they ar
still sending the boys out by the trai
load, but they come in the same wa
so you can't tell the difference.
think some of the boys that lef
here went right straight to France
for I haven't heard a word from an
of the boys. We are baking lots o
bread now and they sure use lots o
it here. I am at the Y. M. C. A. now
and they are some great thing; th
boys are having a big time. They ar
going to have a big minstrel show
here tonight and it will sure be filled
too. I am on at night this week; go
to work at 12 o'clock and get off a
8 the next morning. The only thing
is that it's pretty hard to sleep in
the daytime here, but I only got it
for this week. They have some big
guns here, and lots of trenches t
train the men and they sure put them
through the drilling now. They clain
that they give them three years train
ing in three months now. I don'
know, but I know that they give
them a work out allright. I should
not wonder that you were short o
help this year, to see the bunch o
fellows coming and going here. We
get lots of corn bread and beans
I don't think Vernon would like this
but everybody has to find out fo
himself. I will close for this time
with love to all. Goodby.

From your nephew,
Eddie Lemon

Death of Mrs. Jane Cochran.

Mrs. Jane Cochran, probably the oldest person in this county, died Wednesday of last week. She was at the home of her daughter, Mrs. Laura Stroup, in Blanchester. Burial was made at Pricetown.

The following sketch of her long and useful life was read at the funeral:

Jane Colvin Cochran, the youngest of the thirteen children of Thomas and Hannah Colvin, was born near New Market, Highland County, Ohio, Ccto ber 4, 1821 and died at the home of her daughter, Mrs. Laura Stroup, in Blan chester, Ohio, July 10, 1918, aged 96 years, 9 months and 6 days.

She was united in marriage to Jacob Cochran Feb 20, 1840 and to this union were born nine children, five sons and four daughters. Her beloved husband three sons and two daughters have preceeded her to the Great Beyond. The living children are Alpheus Coch ran and Mrs. Ella Duvall, of Hillsboro, Mrs. Laura Stroup, of Blanchester, and William Cochran, of Middeltown, O.

Besides her four living children she leaves twenty five grandchildren, forty six great grandchildren and five great great grandchildren.

Aunt Jane Cochran, as she was fa miliarly known to her multitude of friends, was a woman of substantial character and sterling worth. She went about "doing good" in a very quiet, unassuming way. No sick per son in her neighborhood was neglected or needy person turned from her door.

She became a member of the Univer salist church early in her life. She lived her religion, which was a source of great comfort to her especially in her declining years. She was a firm believer in an All wise Creator of Love and Justice who would condemn none of the human race to a condition of eternal punishment at the close of this life.

She was a woman of remarkable health and strength both of body and mind, and could relate, with the minu test accuracy, occurrences of import ance that took place more than four score years ago. She retained her wonderful power of mind and memory almost to the close of her long and restful career, being confined to her bed and unable to think and speak connectedly less than a month previous to her passing away.

She was a great reader and very pa triotic. She knew much of what was going on in the world and expressed a wish that she might live and have her health and understanding till the pres ent world struggle was won for God, humanity and civilization. However, she was ready to and willing to go when her Savior called.

She was a loving wife, a tender mother, a staunch friend, and a genu ine Christian. Those who have known the life and work of this noble woman have no fears as to her present condi tion. Could human eyes pierce the veil, we owuld, no doubt, behold a scene of great delight and rejoicing in the reunion of wife and husband, mother and children.

This community received the sad message of the death of one of the oldest citizens, Mrs. Jane Cochran, who died at the home of her daugh ter, Mrs. Laura Stroup, at Blanches ter, July 10, aged 96 years. She had spent all her life in this community until the past few years. Funeral services at Blanchester Friday morn ng and burial in Salem township cem stary.

COLORED HOME GUARD COMPANY

Organized Last Monday Night—Officers Were Chosen.

The Home Guard movement has become popular in Hillsboro and last Friday night the colored boys held a meeting at the armory. As a result a colored company was organized, the following officers being elected: Captain, Lang Young; First Lieutenant, Clarence Pleasant Second Lieutenant, Glenn Bolden.

The officers chosen and the men who volunteered with them went to work last Monday night and held their first drill. The members of the company are full of "pep" and as all of the boys are sincere and loyal there is no question but that Hillsboro will soon have one of the best drilled colored companies in the state.

The officers of the company are taking an especial interest in the matter and are diligently studying the infantry drill regulations with an earnestness which means that the men of their command will be well posted in a short time and will give a good account of themselves if called upon for active duty.

The New Petersburg Red Cross and community have purchased a beautiful service flag containing thirty stars, representing that number of boys from North Paint, who are in the army. The flag will be dedicated next Sunday afternoon, July 28, at 3 o'clock. Rev. Patterson, of Hillsboro, and Hon. Coke Doster, of Greenfield, will each make an address. Price's orchestra, of Greenfield, will furnish the music. The committee is working hard to make this a memorable occasion. Everyone cordially invited.

Gall, of Highland county, reports a V. T. C. in each school in his district and you may see from the enclosed letter (which he sent to each of his Sammies) that he has let nothing stand in the way of success. The Ideal Husband to His Wife.

We've lived for forty years, dear wife,
And walked together side by side,
And you to-day are just as dear
As when you were my bride.
I've tried to make life glad to you,
One long, sweet honeymoon of joy,
A dream of martial content,
Without the least alloy.
I've smoothed all blunders from our path,
That we in peace might toil along,
By always hastening to admit
That I was right and you were wrong.

No mad diversity of creed
Has ever sundered me from thee;
For I permit you evermore
To borrow your ideas of me.
And thus it is, through weal or woe,
Our love forevermore endures;
For I permit that you should take
My views and creeds, and make them yours.
And thus I let you have my way,
And thus in peace we toil along,
For I am willing to admit
That I am right and you are wrong.

And when our matrimonial skiff
Strikes snags in love's meandering stream,
I lift our shallop from the rocks,
And float as in a placid dream.
And well I know our marriage bliss
While life shall last will never cease,
For I shall always let thee do,
In generous love, just what I please.
Peace comes, and discord flies away;
Love's bright day follows hatred's night;
For I am ready to admit
That you are wrong and I am right.

Automobile Collide.

One of the saddest accidents that ever befell a Highland county family occurred last Monday night when the east bound traction car due here at 7:15 and running about one hour late crashed into an automobile driven by Glenn Kesler, of Russell.

Mr. Kesler, accompanied by his wife and four children, had started for Hoaglands to see a friend and not knowing the storm had delayed the traction car he did not hesitate when he arrived at the crossing.

The accident occurred right at Fairview where the pike which runs north and south crosses the traction line. Mr. Kesler was driving his machine south and had gotten on the track according to his word before he was able to discover the belated car. Realizing his danger the driver, who at that time was unable to back up, put on full force and started across. His judgment was just a shade slower however, than the traction car and as a result the car smashed into the machine with terrific force.

Riding with Mr. Kesler as stated before were his wife and four children and as a result one son was killed outright and Mrs. Kesler and one of the children have since died at the Highland County Hospital from injuries. The accident occurred about eight o'clock and was one of the kind for which nobody may be blamed.

However, the toll of death and injury has cast a gloom over the entire community. Many times people read of similar accidents but this one coming so close to home, as was the one at Highland a few years ago, cuts deep and creates a greater desire for the elimination of grade crossings.

The story of the accident which resulted so fatally to the family of Glen Kesler was given to a Gazette reporter on Tuesday by himself. He said in substance that he, accompanied by his wife and four of his children, left home about 7:45 on Monday evening to go to the home of Henry Fenner, who resides near Hoaglands, and whom he desired to haul some logs. When the machine approached the railroad crossing he, not knowing the car was late, did not stop, but when he attempted to cross the track he saw the car was almost upon him. He claimed that he had heard no warning whistle and as it was still daylight at the time did not see the lights of the car until it was only a few feet from him. Mr. Kesler said that when he discovered his plight he could do nothing more than to give his machine more momentum and try to avoid a collision. It was told by him that he turned on more juice but he missed by a narrow margin with the terrible result of the instant death of the eleven-year-old son of Mr. Kesler who was thrown a distance of forty feet, and injuries to his wife and a young daughter who died at the Highland County Hospital later the same evening. He avers that he was only running his machine at the rate of about ten miles per hour.

The motorman, Robert Lemon, in charge of the traction car gives the following account of the accident according to statements made by a number of people. He stated that because of the power house at Perintown having been put out of commission the car he was running was about one hour late. When he approached the fatal crossing he gave the required whistle and attempted to stop the car in order to prevent the mishap which he thought would follow and while he had his car under control and ran it slowly in the hope of averting an accident he it is said claims that Kesler evidently thought he could beat the car across the track.

However the case may be, the accident which is one of the most depressing that ever happened to a Highland county family, has called forth the sincere sympathy of all. In addition to those who succumbed to their injuries one boy is so severely hurt that he is not expected to live. Of the six occupants of the machine two escaped, Mr. Kesler and his six-months-old babe.

When the machine was struck by the car several things happened that are unusual. In the first place the Kesler family was driving south When the rescuers went to their assistance they not only found the machine toppled over but also that it had been turned completely around, facing north. Another thing was that the spokes of one wheel were absolutely demolished while the tire was uninjured.

The boy who met death instantly was removed to his father's home while the injured were brought to the hospital here. As stated Mrs. Kesler and her three-year-old daughter died later.

Funeral services for all three of the victims were held at Russell, Wednesday afternoon at 2 o'clock, where the family resided, conducted by Rev. Spurrier, of Lynchburg, after which interment was made in the cemetery at Dunn's Chapel.

In Memoriam.

Bessie Lennah, daughter of John and Sithia Chaney, was born October 4 1887, near the home she has spent all her life before and after marriage. On October 15 1904, she was married to Glenn Kesler, and to this union were born seven children, three boys and four girls. A few years ago one little darling, Beatrice Naoma, closed her baby eyes and went away to him who took the little ones in his arms and blessed them, was awaiting the coming of mother whose heart was almost broken when her darling left her, but was spared the heartache of giving up another one of her children, but when God called her on the evening of July 22, Courtlandt, a manly little fellow, aged eleven years, and Georgeanna, a beautiful little daughter, three years old, went home with mother without a moments warning, with but little pain and now awaits the coming of father, and Winston, who is laying badly hurt in the hospital at Hillsboro, and baby, Myrtle Janette, also tenderly cared for at the same place and Geraldine and Dyson, of the home, and when God shall call them one by one may they be ready to go and make an unbroken family in that home where no sorrow, suffering or sin can ever come.

In early girlhood she joined the Methodist Church here at Russell, and lived a quiet, helpful and useful life. Was a true, loyal wife, a kind, loving mother, a friend to all and had the esteem of all—what more can be said of anyone. She has done her work. She has fulfilled her mission and when the noon of life was reached the call came and life's burdens were layed down and she went to the reward of a well spent life. Peace to her precious memory.

An aged father, one brother and one sister, Mrs. Daisy Chaney, are left to sorrow for this dear one whose tragic death of her and her children has shocked the entire community and we can assure all of the entire sympathy of everybody. This should be a sure warning to one and all that death may come any time and to be ready if the call comes in the noon of life like it did to these precious children or at noon as with the mother or near the twilight as it comes to some. Oh, let us be ready for life is short at the longest and death is sure to all.

Mr. Shade, who is one of the best musicians in the country, directed the concert given by the band last Tuesday night and marked difference in the playing showed the skill of his master hand. Another old-timer who greatly assisted was A. W. Underwood. It looked and sounded quite natural for these men to be on the band stand.

In Memoriam.

Rev. John W. Shade, whose death on Wednesday evening, July 31, was briefly noted in last week's issue of the Gazette, was one of the widely known residents of this county. For many years he traveled over the southern half of the state as field secretary of the Ohio Children's Home Society, during which time he made a large circle of acquaintances and friends.

During his long residence in this community he had been a ceaseless and consistent worker in the temperance cause and lived to see the fulfillment of many of his earlier hopes and predictions along this line.

He was born in Huntington county, Pa., March 12, 1833, the son of Henry and Mary (Dorland) Shade, and while a small boy came with his parents to Ohio, locating near the present site of New Petersburg, in this county. He was married May 11, 1856, to Miss Sophronia Vance, daughter of Major and Mrs. William Vance, of Brown county. Of the four children born to this union but one, Col. W. H. T. Shade, of Lake City, Iowa, survives.

He leaves three grand-children, Lang Johnson, of Columbus, Mrs. C. L. Langley, of this city, and Ralph Shade, U. S. N. who is on board the U. S. S. "Louisville." He leaves, also, five great grand-children.

The funeral services were held at 2 o'clock Saturday afternoon at the home of his grand-daughter, Mrs. C. L. Langley, and were conducted by Rev. LaVerne Taylor, pastor of the Church of Christ. Interment was made in the Hillsboro cemetery, by the side of his wife, who preceded him to the other shore three years ago.

In Memoriam.

Elmer Clay Schumacher, the subject of this sketch, first saw the light of day at Chillicothe, Ohio, on the 17t day of December 1873 and his spirit left the body just as the sun began to paint the eastern sky, Tuesday morning, Aug. 6th, 1918, making his sojourn on earth 45 years, lacking five months.

His demise came at the time of life when a man is supposed to be at his prime.

Elmer was never robust or strong as some are strong but in spite of that fact he was a tireless and most efficient worker beginning work when a mere boy.

He had been a valued and trusted employee of the C. S. Bell Co. for twenty years and at the time he took sick was a foreman of one of the departments of that institution.

He was a member of the Odd Fellows Lodge and had been for a number of years, having passed through all the chairs and was their secretary at the time of his death.

Prior to his sickness a few months he was made a Master Mason in Highland Lodge, No. 38 F. & A. M., and would have had further Masonic honors conferred upon him had he lived.

He was a faithful attendant at Divine Services, and while he frequently visited other churches he usually attended the Baptist church.

Elmer Schumacher was one of nature's noblemen; a gentleman in every particular. He was of a modest and retiring nature and loved most by those who knew him best. He had a high sense of honor and a very keen sense of humor. He was a great reader and a great lover of nature, spending much time in the woods and fields.

He was always kind, pleasant and agreeable under the most trying circumstances, and met the problems of life with a courage quite remarkable.

He was a good brother, a true friend an ideal neighbor, a good citizen and an efficient and capable workman and he lived a clean and exemplary life.

Both parents have preceded him to the land beyond but he leaves to mourn his loss, one sister, Mrs. O. Warson, of Lynchburg, and two brothers, Earnest W. and Charles F., of this place, and a host of friends.

JUDGE ROBERT BASKIN

Former Hillsboro Citizen Dies at His Home in Utah.

Judge Robert Baskin, brother of Mrs. Isaac Larkin, of this city, and a former Hillsboro citizen, died at his home in Salt Lake City, Utah, on Tuesday of last week, aged about 81 years. Judge Baskin left here many years ago but will be remembered by a number of our older citizens.

From the Tribune, published at Salt Lake City, the following account of his life since going west is reproduced:

Robert N. Baskin, veteran jurist and social and political reformer of territorial days, died yesterday morning at his home, 435 Fourth avenue. Death was due to general debility. Arrangements for the funeral will not be made until instructions can be received from his nephew, W. C. McBride, of Portland, Ore. Judge Baskin's wife died in Salt Lake nearly twenty years ago. He was 81 years of age.

Judge Baskin was born at Hillsboro, Ohio, December 20, 1837. He was educated at the Salem Academy, near Chillicothe, Ohio, and later studied law in the office of James H. Thompson, at Hillsboro, Ohio, for two years. He then became a student in the law school at Harvard university. Upon graduation he returned to Hillsboro, where he formed a law partnership with Colonel Collins.

In 1865 Judge Baskin, on his way westward, stopped over in Salt Lake and after a few days met Thomas Hearst, son of William Hearst, a distinguished lawyer of that time, who invited him to make a trip at his expense to the mines of the Little Cottonwood district. He decided to cast his lot in Utah. In the latter part of 1865 he opened up an office and at once began a study of the statutes of the territory and to inquire into political and social conditions. Towards the close of 1865 he was admitted to practice in the supreme court of Utah and soon became identified with many important litigations.

In 1876 Judge Baskin was nominated by the Liberal party made up principally of those who were opposed to Mormonism as a candidate for delegate to congress. At the ensuing election he received more than 5000 votes.

In 1891 Judge Baskin was elected mayor of Salt Lake on the Liberal ticket. During his administration of four years Salt Lake was transformed from being one of the most unhealthy cities in the country, with the highest rate of mortality, to one of the most sanitary and healthy and one of the lowest death rate. To meet the emergency long time bonds were issued. An adequate water and sewer system was installed, the streets of the business section were paved, and miles of sidewalks were built. The joint city and county building was completed and in all respects Salt Lake was brought up to the standard of a city of the first class. In 1898 he was elected chief justice of the supreme court of Utah.

With great confidence in the mineral resources of the state, particularly of the sections within easy radius of Salt Lake, Judge Baskin did much for the development of Utah. He gave both money and influence to opening up the hidden riches and during his career he is said to have made and lost many fortunes. At one time he was interested to a considerable extent in the Miller mine in the American Fork canyon. He refused an offer of $150,000 by the Vanderbilts of New York for his one-quarter interest in the property.

Judge Baskin was one of the strongest opponents of polygamy during the early days and it was due to his efforts largely that laws were passed by congress forbidding the practice. One of the most prominent facts of his career was the prosecution and conviction of John D. Lee, leader of the Mountain Meadow massacre in 1857.

In 1891 Judge Baskin wrote a book entitled "Reminiscences of Early Utah," in which he described the struggle between the Mormons and the [illegible]

It is not our purpose to speak of our friend's good qualities. All those who knew him loved him and I have not yet heard any speak ill of him. Indeed to speak of the good he has done would require at least a short history. Suffice to say his life so far as possible was of unlimited kindness to those about him. He always carried a smile and joviality. [illegible]

Obituary.

Lily June, daughter of George W. and Jane Tedrick, was born in Pricetown December 23, 1886, died at the home of her sister in Hillsboro, Aug. 28, 1918, at the age of 31 years, 8 months and 5 days. At the age of 15 years, during the labors of E. D. Murch, she became obedient to the faith and became obedient to the Church of Christ at Pricetown, O. Although residing in Hillsboro for 8 years and being secretary of the Girls' Mission Circle at that place, she still retained her membership at the home church. She was left motherless at the age of 12 years but she grew up to be a modal woman. Her friends were as numerous as her acquaintances for every one who knew her loved her.

She was kind and gentle, her hands always busy in some good work. She believed in whatever she did in doing it well. It must be at least, approximate perfection ere it was lain aside.

She has just moved out of the old home into one which is perfect. She has gone home to meet mother, numerous relatives and friends, yet she leaves to mourn, a father, three sisters, Alta, of Virginia, mourning in her far away home, Chloe, of Pricetown, and Cora, of Hillsboro, at whose home she passed to the beyond.

The Savior shed tears at the grave of loved ones so we shed tears not only of sorrow but of joy to know that she had made ready to occupy that mansion made ready for her.

All that could be done by loving hand was done, but the die was cast, the angel had knocked at her door and she must move out. She will be sadly missed in the home and community, but she had finished her work and waiting for the crown of righteousness prepared for her.

Edwin Oscar Rockel, one of Hillsboro's most ambitious and promising young men, died at Camp Sherman, Oct. 4 from pneumonia following Spanish Influenza.

He was a little past 21 years of age and was engaged in the drug business with Dr. P. H. Miller and his brother, Frank Rockel. He was the younger son of Mr. and Mrs. John Rockel and leaves his parents, one brother, one sister and hundreds of friends to remember his splendid life.

After leaving the Hillsboro High School he worked until prepared for college and graduated from Ada University. Later he passed the examination of the State Board of Pharmacy He was a registered pharmacist and successfully engaged in business with bright future before him.

He was only in camp about one month and the entire community is grieved by his death.

Dewey Cochran, only son of Mr. and Mrs. Joseph Cochran, of Hillsboro, died Saturday from influenza-pneumonia. He leaves a young wife his parents and one sister to mourn his early death.

J. W. Jarnigan.

Mr. J. W. Jarnigan and wife, of Montezuma, Iowa, are in Highland county for an extended visit, it being the former home of both.

Time has dealt most kindly with him and he is enjoying the cordial greeting of old friends.

Geo. Wilkin the aged father of Mrs. Homer Burton, died at his home near Hollowtown on Sunday after several months sickness. Funeral services were held on Tuesday afternoon and interment made in the Mt. Zion cemetery.

Levi Fox, who was shot by Joseph Blangy on August .3, died at the Highland County Hospital Friday, from the effects of his wounds.

The shooting occurred in Salem township near Harwood on the farm of Fox. The men had been to Fayetteville and had been drinking. Blangy was still quite drunk when arrested the evening of the shooting. The men were friends and had not quarreled that day. Blangy shot Fox twice both times in the back and then robbed him and left him lying in a field. One bullet severed the spinal cord and this wound caused the death of Fox.

Blangy has been in jail without bond since the shooting| When the grand jury was in session last it was excused subject to call as it was thought certain then that Fox could not recover. The grand jury has been summoned to report next Friday morning at ten o'clock. At that time the case against Blangy will be brought up and he will undoubtedly be indicted for murder. Until the death of Fox only an indictment for shooting wth intent to kill could have been returned against him.

The grand jury will consider also any other cases that have come up since they were in session. This will mean that an indictment will probably be returned against Ova Garman who stole a Ford at Belfast Saturday night.

Mrs. Maurice DeHass died at her home south of town Sunday after a few days illness of tonsilitis. She leaves several small children. Oct 1918

On October 12, 1880, a frail bark was launched on the ocean of life. Immediately older hands steered the little craft into the ocean of love and the days lengthened into months and the months into years. The ship has been guided and tenderly cared for as it tossed upon the waves. For 38 years this life sailed on braving the tempests, until the great Captain piloted the craft into the deep waters and on October 12, 1918, the spirit of Herman Clifford Gall landed on the shores of God's eternity. The subject of this sketch was the son of Geo. W. and Mary Elizabeth Gall, of Flat Run, O. On July 28, 1908 he was united in marriage to Nora May Walker. To this union God entrusted three daughters and one son. Velma Corene and Elma Lorene (twins), 9years of age, Mary Madeline, 3, and Thomas Dorwin, aged 2. He leaves a lonely companion, children and two sisters, Mrs. Amanda Smart, Folsom O., and Mrs. Florence Brown, of near Belfast, bessides a host of friends and relatives.

He taught 12 consecutive terms of school, which work he gave his best love and attention. He also farmed and carried its duties on the side. In April, 1917, he united with the M. E. Church at Flat Run under the pastorate of Rev. C. B. Raisch. To his convictions he was true. Home was his Paradise. It seems infinitely sad that such a visitation should occur in this home where happiness and contentment reined and where so much of the interst and energy of his life centered. The ways of a benign Providence ar to us inscrutable and what He does may not be known now, but shall be understood hereafter. His sun is gone down while it is yet day, his sun has set long before it reached the noonday meridan of the [illegible] earthly career. He was a man of simple taste and habits and went through life without ostentation and display. [illegible]

Word was received from the War Department last Tuesday by Mr. and Mrs. J. M. Griffith, who reside south of Hillsboro on the West Union pike informing them of the death of their son, Stanley, which occurred on Oct. 3rd from the effects of wounds he had received in battle.

Young Griffith was a member of the local company, but was one of the sixteen young men who volunteered to be transferred to Co. D of the Fourth Ohio Infantry, Col. Benson Hough, commanding, which regiment was made a part of the Rainbow divisioin. This now celebrated division which has encountered much hard fighting since its arrival over there, was the first detachmnnt of former National Guard troops to be sent to France.

A letter from Stanley Griffth, dated Sept. 20, was received recently by his parents in which he stated that he was well at that time and the announcement of his death coming a few days later was a great shock to his father and mother as well as to his many friends. Thus Highland conuty is again forcibly reminded of the terrible war which is raging on the other side of the Atlantic.

Mrs. Robert B. McMullen died at the home of Mr. and Mrs. John McMullen, last Saturday from an attack of pneumonia which followed influenza. Mrs. McMullen had only been ill a short time and just a few hours before her demise had seemed to be improving, but the icy hand of death had its way and her spirit winged its flight to the God who gave it. She was the youngest of three children of Mr. and Mrs. C. F. Huggins and was married to Robert B. McMullen about two years ago. The married life of Mr. and Mrs. McMullen despite its brevity, was one of [illegible] gentility and happiness and the untimely taking of the young wife has caused sorrow among all of our people and the sympathy of the entire community goes out especially [illegible] husband. "The Little Flag on Our House"

William C. Demorest, in Leslie's Weekly

The little flag on our house
Is floating all the day
Beside the great big Stars and Stripes;
You can almost hear it say
To all the folks in our street,
As the breezes make it dance:
"Look up and see my own blue star—
We've got a boy in France!"

The little flag on our house,
It floats sometimes at night,
And you can see it way up there
When the street lamp shines just right,
And sometimes, 'long toward morning,
When the cop comes by, perchance
It signals with its one blue star—
"We've got a boy in France!"

The little flag on our house
Will wave, and wave, and wave
Until our boy comes home again,
Or finds in France his grave.
Say—tho' its blue star turns to gold,
Because of war's grim chance,
It still shall wave to say: "Thank God,
We've got a boy in France!"

Obituary.

Rosalie Vance, the youngest daughter of J. F. and Alice Vance, was born at New Market, Highland County, Ohio, Dec. 7, 1888 and departed this life Sunday morning, Oct. 13, 1918, at the age of 29 years, 10 months and 6 days.

Rosalie was blessed with Christian parents and at an early age she became identified with the Baptist Church at New Market, where her parents were devoted members. She became an earnest and zealous worker in the cause of her Master and was a faithful disciple of His when she was stricken with deadly disease in her immature life of usefulness.

She and Zaccheus Easter were united in marriage at Hillsboro on Nov. 27, 1912, where they have made their home for nearly six years of pleasant and happy married life. Her husband being a member of the Church of Christ at Hillsboro, she placed her church membership there, and both worshipped and labored together in the Christian life she began in early childooh.

Rosalie was a loyal and faithful wife to her devoted husband, a kind and affectionate daughter to her aged mother who survive her. There also remain three sisters, three brothers, and a host of relatives, neighbors and friends to mourn her untimely death and their irreparable loss.

draft board of this county and the medical staff pronounced him a perfect man,, the best man physically they had examined to that date. Such is the reward for good, clean habits and good morals.

But his country called him and he went to Camp Taylor, and began training and became a First Class Private within a short time. Owing to his ability and the willingness which he showed to do his duty, it was but a short time, that he began taking lessons to become a non-commissioned officer.

His letters nome were always of good cheer to his mother and loved ones. He wrote his father he did not like a soldiers' life, but wanted to do his best while he was serving his country.

We all hear of the awful distress caused by the epidemic now raging at the camps, but we cannot know of the conditions until we see them. Then cannot realize the heart rending agony unless we have a loved one there.

Sherman was stricken on Thursday the 3rd. His parents were called and arrived at his bedside Monday and were with him until death came on Wednesday at one o'clock. The deceased was laid to rest on Sunday, Oct. [illegible] Professor Deher [illegible]

In the death of Mrs. D. S. Hays, which occurred at the family residence on West Walnut street, this city last Saturday evening Hillsboro again suffered a distinct loss. The deceased was one of our best loved women because of her splendid christian character and her affable, kind and numerous other beautiful traits. While Mrs. Hays had not been in good health for some time her death was due to an attack of paralysis which occurred last Friday night. She was aged 65 years and is survived by her husband and one brother, H. M. Dean. Many tributes as to the high regard and esteem in which she was held by her large circle of friends will be found in the correspondence items in this week's Gazette. Funeral services were held Monday afternoon at the home and interment was made in Hillsboro cemetery.

Herbert Fahrlander, formerly of this city, died recently at Astor, Oregon. For a number of years he had been a resident of Roswell, New Mexico, where he enlisted in the navy. At the time of his death, which was due to influenza, he was stationed at the shipyards in Astor. Mr. Fahrlander was aged about 35 years and leaves a wife and one son. He was a brother of Mrs. Bert Stratton of near Hillsboro.

After only a week's illness Mrs. Dennison Taylor died at her home on Summer street from an attack of pneumonia. The deceased, who is survived by her husband and mother, was aged 19 years. Her death occurred Saturday night. Funeral services conducted by Rev. B. F. Paist were held Tuesday afternoon at 2 o'clock after which the remains were laid to rest in the cemetery here.

After a brief illness with pneumonia, Mrs. Isabella Burton died at the home of her son Albert at Russell last Saturday morning, aged 35 years, from pneumonia. She is survived [illegible]

OBITUARY.

Mary E. Hays was born at New Vienna, Clinton Co., O., November 4th, 1851, and departed this life November 16th, 1918, aged 67 years, 12 days.

She was one of seven children, born to Barton and Rebecca Dean, all of whom have preceded her to the other side except one brother, Homer, who is left to mourn her loss with a devoted husband. She was reared in a Christian home with the influences of truth and righteousness about her. She early felt a desire to yield herself to her Heavenly Father and united with the M. E. Church at Dunn's Chapel while yet a girl. She was faithful and devoted to all its interests and many times has been heard to give a clear testimony of the knowledge of God's care over her and her gratefulness to Him for His goodness and mercy.

She ever acknowledged Him in her daily walk and upon being asked if she intended to do things, she would say, "Yes, if the Lord is willing."

She was united in marriage to David S. Hays on October 8th, 1868. They walked hand in hand for more than fifty years, mutual love and [illegible] increasing as time advanced. Her fidelity to her home and devo[illegible] husband [illegible]

Mrs. Margaret Rockel, widow of the late Henry Rockel, died at her home on South East street on Thursday night of last week after an illness which lasted for many months. Some time ago she was taken to the Highland County Hospital and for a time her condition improved, but the ravages of disease had marked her and she passed to the great beyond. The deceased, who was aged 75 years, is survived by four sons, John, Henry, Chris. and Charles, and a daughter Mrs. James King. Funeral services were held at the home Saturday afternoon, conducted by Rev. B. F. Paist, pastor of the First Presbyterian Church, after which the remains were laid to rest in the Hillsboro cemetery.

Mrs. Gilbert Holmes died at Christ Hospital in Cincinnati last Friday. Two days before she had submitted to an operation which was thought to have been particularly successful but death had its way and she succumbed on Friday. She was aged about 67 years and was a woman of high ideals and irreproachable character. By reason of the serious illness of her husband the body when brought here was taken to the home of her nephew, Samuel Vanpelt. Mrs. Holmes was a devout christian and a loyal member of the Women's Relief Corps. Funeral services were held Sunday afternoon at the Methodist Episcopal Church, conducted by Rev Charles Bennett and burial made in the local cemetery.

The Gazette this week was given permission to publish the following letters from some of our boys who are helping to rid France of the Germans. The first is from Paul Kerns who wrote to C. M. Lacy, superintendent, and others of the McKeehan-Hiestand Grocery.

Le Maus, Sarthe,
Sept. 22, 1918

Dear Friends:

I started to write to you about a week ago but to save me I couldn't say whether I finished it or not, so if I did and this one is somewhat the same you will know the reason. I received your letter of Aug. 13th the other day and was very much pleased to hear from you. I expect you are pretty busy these days with all the government restrictions and difficulties in getting different goods. I suppose sugar is pretty scarce now as mother told me they were using sugar cards.

You say that you wonder what I am doing where I am. I have not been in a great many different places but I have done about every thing a soldier ever did do, from digging trenches, drilling, guard duty, and office work which I am doing now. Tell Ulric I have never been on K. P. but once and that was back at Camp Sherman. We have not had much of your hot dry weather here as it has been pretty cool and rainy ever since we came. Today it is very raw and rainy and I am thankful that I do not have to be out in it. We are living in an old hotel which was built about two hundred years ago. It is still a very substantial building but doesn't have any modern conveniences. There are five fellows in my room, all from the same department that I am in, the finance branch H.Q. M.P. We have two double deck bunks and one single. We also have our mess in the same building and are only about two blocks from the office so it will be pretty nice this winter. The Finance Department looks after the pay of the officers and enlisted men of the A.E.F. It is not difficult work but requires [illegible] accuracy and [illegible] could accommodate [illegible]

work not very far from our office. I see him every week or two.

Well I think I had better close for this time as it is about bed-time, 9:30. Best wishes to all of you and my regards to all of my old friends among our customers. Paul.

Somewhere in France, Sept. 11.

Mr. W. H. Newkirk, Belfast. O.

Dear Uncle—Will write you a few lines to let you know that I am still living. France certainly is some country nothing but old stone houses and rats of enormous size. I have slept in everything from a mud hole to a cow stable, it certainly is some life, if you don't weaken. I am now at the front line, which makes the second time for me, there is nothing to bother a person only a few shrapnel shells that Fritz sends over to let us know he is not on a vacation and believe me pieces of shrapnel can play some sweet home around a fellow's head. It has been raining most all the time since we entered the trenchs this time. You can imagine what kind of a shape they are in.

Will close, hoping to hear from you soon, your nephew,

Chas. G. Newkirk,
M. G. Co. 147th Infantry, A. P. O. 763, A. E. F.

"Somewhere in France."
October 1st, 1918.

Mrs. S. E. Newkirk

Dearest Mother—I received your last letter, but was on my way to the front and could not answer it as I had no place to mail it. I certainly was glad to hear from you.

I am now in the hospital with a bullet wound in my left arm, just above my elbow. It is nothing serious, but very painful. The nurses in the hospital where we are are sure good to us, they are doing their part. I saw some very interesting things during the present drive. I saw a great number of german prisoners and at one place I saw a German kitchen with sour kraut in one boiler and coffee an another. They were still steaming, so you know [illegible] had them moving along very [illegible] in small patches of woods [illegible] tanks started [illegible]

The latest news from the battle fields of war-torn France brings information that the local company commanded by Capt. Earle V. Miller was in the big engagement of Sept 26. The word from the front is no definite but from letters received by friends and relatives here our boys were in the thickest of the fray.

Among the Hillsboro boys who paid the supreme sacrifice is Raymond Stout, a son of Mr. and Mrs. David Stout, which brings sorrow to our people as the young lad was very popular. However, there is the consolation that he died while bravely doing his duty for his country. His death was due to being hit by shrapnel while making a charge on a German position.

Other members of the Machine Gun Company who were reported as injured are as follows:

Lieut. Sigel Mullenix—gassed.

Corp. Colon Mechlin—gassed.

Gleason Newkirk—shot through arm.

Sergt. Wm. Barnes—shot in shoulder.

Leonard Fenner—wound in leg.

Walter Roads—gassed.

From a letter written to his aunt Max Gustin says in part:

"We are now a division of Pershing's shock troops. Our division went over the top first in the drive of last week near Verdun. My company was in the first wave. It sure was some fight. The men went without everything for five days. Now we are relieved and going some place to be reorganized and filled up with new men. Of course we suffered quite a few casualties but not nearly so many as I had expected. We drove the Germans for quite a ways capturing thousands of prisoners and many cannon and machine guns. The Germans lost much heavier than we judging from their dead and wounded. It almost breaks my heart to announce that Raymond Stout was killed. He was hit by shrapnel and died [illegible] by doing his duty.

While the members of our machine gun company were helping to drive back the Germans other Hillsboro boys were [illegible] assisting in the [illegible]

Dear Folks at Home—Thought I would endeavor to write you a few lines as I am able to sit up now. Had an operation on my arm Nov. 12th. Intended to operate sooner but on account of the Jubilee Celebration on the previous night postponed it. Now it is all through and I am getting along well.

One of the American Y. M. C. A. representatives was around through the wards, giving the boys a word of good cheer and anything else he could do for them. He gave the boys around my ward some tobacco, gum, etc.

Well, Tuesday evening I received fifteen letters-Yours of Aug. 25, Sept. 1, 11, 19, 27 also several from Gladys, one each from Mary, Aunt Allie, Albert, Leona, L. Faris and several others. I suppose the mail had been going around the world before I got it but one reason is that I have been transferred.

Had a letter in Sept. from H. Barrow and he spoke of my mail still coming to 832, Co. H.

No, I have never received any papers. Some of the boys in the company do get papers from the States. Whether they forward papers as they do letters I do not know. I notice that in every letter you ask about the papers.

It has been cool here for several days, raining, too, but today has been really pretty except a little wind.

There are a number of cases of Flu Over There, I see as well as here. But it is not so bad here in camp as they are keeping it under control.

I suppose you have wondered what front we have been on. When we go transferred up in Belgium for two weeks we took up, after eight or ten days' rest, a sector farther south on the Arras and near that vicinity with the British. That is one reason we have not been able to get stuff so readily as on the American sector, as you know we hold a sector to onrselves and have men on all fronts carrying "Old Glory" over the top.

Trouville is near La Havre across the bay some miles. When we were over in Belgium I saw the horses like [illegible] Brown's. They had a good crop of wheat up there then. One could buy grapes, chocolates and apples [illegible]

Glad to hear that you got the pictures. I mailed them at Le Mans when I was transferred as some of the other boys did. Got letter with the M. photo. They are good. Some faces never change. Also got a photo of a crowd of M. young people taken at a party.

Hope this finds you all well and free from the influenza. There is a good deal of it in England over near where Faris is.

Have not been to Paris yet. Have been all around the town here. The "Y lady" said to me yesterday, "You want to keep away as things are out of sight." They charge a franc for little or nothing. Hoping to see you before long. I am your loving son,

Alanson D. Landess.

Lieut. Eugene Scanlon, son of Mr. and Mrs. Wm. Scanlon, of St. Martins, was killed the last day of the fighting in Europe according to a telegram received by his parents a few days ago.

In the casualty list on Monday of last week among those reported as "missing in action" there appeared the name of Private Harry Johnson, of Greenfield, but his parents say that they have heard from him since the time that the War Department reported him as missing.

The name of Private William T. Ernst, of Winchester, appeared in the casulty list last week, his death having occurred in November.

Somewhere in Belgium,
Oct. 31, 1918.

Dear Father, Mother and Grandmother:—It is with much pleasure that I find time to write you a few words and will try and get this letter away somehow. It will be hard work as I am on special duty with the French. I have been transferred to the Military Police, so you will find that my address is changed to Co. A, 112 Military Police, A. P. O. 763, American E. F.

I have about fifty men assigned to me, all Americans, and we work with the French. Our duty is to keep all traffic to the front clear. All I have to do is to see that my men are on the job, and see that they are well fed. So you will see that I have a "snap" now. I have a man who gets my meals, has warm water for me to wash and shave with every morning. He keeps all of my things clean and makes my bed, so talk about your life of ease, I have it now. You had better tell Minnie what to expect when I come home.

In the afternoon I take an auto ride to look after my men. It is quite different from the front line. I do not know how long it will last for when this job is over I will have it hard enough. What do the people think about peace? I don't think it will be long coming. I would like to see the good old U. S. A. once more. I am sending you a Christmas card that I was able to get from a Lieutenant who was here for a while, but has left for Paris. I was glad to get them. He did not have as many as I would like to have had, but we have to do the best we can over here. Do not send me anything over here as I don't think I would get it. Just keep it for yourselves.

How is everybody? I hope they are all well and happy; as for myself I am fine and dandy. I hope you got my pictures I sent you; they were taken in Paris. I sent them just before we made the dirve. We had a hard time there and afterwards, but I think they are going once more up on the line.

Hope they will all come back all right. I think there is no danger where I am now except from [illegible] that come over and drop a bombe once in a while but they do not worry me as I am accustomed to them.

Well, dear mother and father, I have but little time to write as I must close so I can mail this. I have to go about fifty miles to the Post so will close for this time with love and good wishes for all. Good

Glenn Stultz, a private in the United States service, died at Camp Hill, Springfield, Mass., last Saturday after only a few days' illness. Glenn was a Hillsboro boy and very popular. He was not exactly a Hillsboro boy, but well known here by reason of the fact that he for over a year had been in the employ of a local dry goods and clothing firm and by his courteous and obliging manners had made hundreds of friends. The young man, who was aged about 23 years, was the son of Mr. and Mrs. C. C. Kesler, of near Elmville. He was sent to Camp Sherman the latter part of last April and assigned to limited service duty. With others in that branch he was transferred to Springfield to do guard duty at the government plant where the Springfield rifles are manufactured. Later he was sent to a mechanics training school and until a short time before his death had been driving automobiles for the officers at Camp Hill. The camp in which he was located had been free from influenza and it was only a few weeks before his death that it made its appearance. Glenn was one of the first of the boys to contract the disease. His parents were notified, but his case was reported as mild. In a few days, however, pneumonia developed and Mr. and Mrs. Kesler left immediately for his bedside, but the young soldier who was serving his country so faithfully, had made the supreme sacrifice before they reached their destination. He was a young man of exemplary habits, a member of the Baptist Church and a Mason, but taps sounded and he went to sleep. The body was brought to Hillsboro and taken to the home of his parents near Elmville where funeral services were held yesterday morning after which the remains were laid to rest in the Ridge cemetery.

While working at the Great Western Sugar Co's plant at Eaton, Colorado, William E. Caldwell, son of Mr. and Mrs. W. A. Caldwell, of this city, was instantly killed last Thursday. He was the fireman of a locomotive crane and had been employed in that service for about six weeks. While no one saw the accident which snuffed out the life so quickly of the unfortunate young man the following explanation of the mishap, as far as it was possible to figure out, was given by J. C. Martin, of the Sugar Plant who came to Hillsboro with the body.

Mr. Martin said that young Caldwell was the fireman of a crane which lifted large buckets of coal, which was dumped into cars and used in the boiler room. The process of lifting was by means of large cog wheels outside of the building in which he and an assistant were housed and from which the crane was operated. Immediately alongside the wheels was a platform and while lifting one of the buckets Caldwell left the cab to see that it was properly dumped. It was snowing at the time and it is believed that he slipped and fell into the [illegible]

Mrs. Mary A. Marshall, aged about 82 years, who lived with her son, but had apartments of her own, was attempting to start a fire in the kitchen stove. When the fire did not burn as briskly as she thought it should she resorted to the dangerous coal oil method.

The aged lady's clothing caught fire when the coal oil can exploded, instantly igniting her clothing and enveloping her in flames. Her screams attracted the attention of her daughter-in-law, Mrs. B. M. Marshall, living in the same house and who rushed to her aid with a large rug which she threw around the blazing form.

Almost every stitch of clothing was burned from the form of Mrs. Marshall, and the flesh of the lower part of the body was literally cooked. Death came several hours later. Funeral services were held on Tuesda and burial made at Russellville.

The following account of the death of a former resident of Hillsboro was carried in a recent issue of the Shelton, Neb., Clipper. It refers to Mrs. Elizabeth Doggett, known to many of our older citizens.

Mrs. Doggett was born in Highland county, Ohio, September 1, 1830, and lived to the ripe old age of 88 years, 2 months and 15 days. Her father was Isaac West. She married George W. Doggett, February 27, 1849. Her husband was 2nd Lieutenant of the 6th Ohio Vol. Cavalry in the Civil war under Lieutenant Colonel William O. Collins of Hillsboro, Ohio, for whom Ft. Collins Colorado was named. For a time this company was stationed at Ft. Kearney, Neb. Mr. Doggett died in 1883, and in 1886 she, with her family came to Clay to make their home. Otis Dewey Shaffer, son of John and Nancy Shaffer, was born near Dodsonville, Ohio, on October 10, 1896. Died Nov. 15, 1918, aged 22 years, 1 month and 15 days. He was the youngest son of family of five boys. Early in life he united with the Lutheran Church at Dodsonville, O., and was a member of the Junior Order at Lynchburg. On October 29, 1915, he was united in marriage to Miss Edna Fenner and to this union was born a son, Chester. He leaves a wife and son, mother and three brothers: Harley, at home, Leslie in France, and Clifford, of Buford, Ohio, and many other relatives to mourn.

James Belleson, fourteen years of age, died at the home of his relatives Mr. and Mrs. Leslie Parshall, Nov. 30, after a three days' illness of influenza. He was a student in the Hillsboro High School, but was forced to withdraw on account of his health and his mother was completing preparations for taking him to Florida for the winter.

Funeral services were held and interment made at Sinking Spring.

Mrs. Rebecca Williams, after a four year's illness, departed this life Monday, Dec. 2, at her home on West North street, aged about 78 years.

Mrs. Williams was a christian woman, a true mother and helpful neighbor. The world is better for her life and she left an impress for good upon all with whom she associated.

The Woman's Relief Corps has lost one of its faithful members and a loving guard of her sister members went with the family to Webertown cemetery and around her open grave gave the burial ceremony of the order.

She leaves two loving and faithful children, Mrs. John Richards and Charles Williams, one grandson, Howard Richard, of Pittsburg, Pa.

Mrs. W. A. Walker, aged 75 years, died Nov. 20 at her home in Sugartree Ridge.

North Ann Christy, one of Hillsboro's most capable and respected colored women purchased surcease from life's sorrows by cutting her throat last Saturday morning resulting in her death Sunday morning. Since the death of her son, Foster Christy, while on a transport bound for overseas as one of Uncle Sam's soldiers, a few weeks ago, there has been only grief and the overwhelming feeling of loss in her mind.

Saturday morning the looking over his clothing touched her so deeply that when she took a knife from one of his pockets it suggested a means of ending her grief, likely the going to him, and human strength succumbed to the temptation.

One of her neighbors, Andy Johnson who had kindly stopped to see how she was found her soon after the act. Physicians were called and all, possible, was done to save her life but it was too late.

Reliable and kindly all who knew her and those for whom she worked liked her and genuinely sorrow for her tragic death. She leaves two daughters, Kate and Mary.

Tuesday after funeral services at her home interment was made in the Hillsboro cemetery.

James Leaverton, who for many years had been employed on the farm of Mr. D. W. Leaverton, near Leesburg, had not been in good health for some time. Saturday he was very sick and suffering much pain and left the farm for the home of his sister Mrs. Rose Dryden, of this place.

He gave no signs of his intention and on Monday morning ate his breakfast, later going into the summer kitchen, where his sister was working and talked with her for a little while. Returning to the house without causing any suspicion Mrs. Dryden was startled by the sound of a gun. Rushing into the house she found that he had gotten a double barrel shot gun and loaded both barrels, then placing the muzzle to his forehead had with sticks caused the discharge of the gun resulting in instantaneous death. He was a widower, about sixty years of age and his ill health has undoubtedly caused temporary insanity. It is claimed that [illegible] some years ago taken poison with suicidal intent. Funeral services were held Wednesday and interment made at Samantha, near his old home.

Marriage of Hillsboro Man.

The following from a Miles City, Montana, paper, was received Tuesday by the parents of the groom, Mr. and Mrs. Henry Nesbit. Their son went to North Dakota with his uncle, Arvil Pavey about thirteen years ago and a few years later went to Montana.

Gerald has become a typical-western man and been quite successful. Energetic, careful and capable he has acquired a ranch of his own and bids fair to be one of the big Montana farmers of the future. His Ohio friends congratulate him on winning one of Montana's winsome girls for his wife.

Gerald Nesbit and Miss Nellie Robinson, both of Powderville, were united in marriage at the Presbyterian parsonage on December 5, the Rev. J. Forsythe Smith officiating. The ceremony was witnessed by Mr. and Mrs. Tom Davidson, intimate friends of the bride and groom. Mr. Nesbit is well known in the Powderville region and his bride is the charming daughter of Mr. and Mrs. William Robinson.

The young couple after a short honeymoon, will return to Powderville, where they will make their home.

Obituary.

It is with deepest and most sincere sadness that we must say that Sarah Janett Barker has past away. She was a perfect young lady, and it is hard to say good bye. After a few days of the influenza and pneumonia took the loving daughter of Andrew and Mollie Barker on Saturday morning Nov. 30, 1918, at the age of 15 years, 6 months and seven days. She united with the Christian Church at Harwood at the age of eighteen and lived a Christian life the remainder of her days. She spent almost all of her life at the place of her birth two miles west of Harwood Chapel, except the last year which she spent in Bodarville.

Fifty Years Married.

Tuesday, Dec. 3, Mr and Mrs. Alpheus Cochran gave a family dinner at their home on South West street, in honor of their golden wedding day.

They have five living children. One son, Lawrence, of Des Moines, Iowa, and one daughter, Mrs. Fred Houch, of Dodsonville, were unable to be present.

The other three were present with their families. Orland, his wife and three children, Harley and wife, Mrs. Charles Teboe, husband and son, Mrs. Ella Duvall, Mrs. Laura Stroup, sisters of Mr. Cochran and J. North Cochran and wife and Mrs. Harris, of Blanchester.

Mr Cochran was an active and highly successful farmer, but retired a few years ago and they are enjoying to the full the fruits of their labor. He was at one time county commissioner and a first class one, too. Of the old line democratic stock he was closely identified with all activities of the party and still keeps in touch with all questions of the day and always goes to the elections.

Their host of friends rejoice with them over their long married life and the blessings that have come to them.

Many substantial gifts of love were presented to them which they highly appreciated.

The Gazette extends its heartiest congratulations to the happy bride and groom of fifty years ago.

G. N. Baker and family, south of here near Winchester, attended the funeral of Mrs. Baker's mother, Mrs. E. A. Walker, near Sugartree Ridge, Sunday. Mrs. Walker passed away Friday after an illness of several months duration. Funeral services were held at the home Sunday 1 p. m. conducted by Rev. Harper, of Belfast after which the remains were laid to rest on the Sugartree Ridge cemetery.

In Memoriam.

For days the shadow of the death angel has hung over another home in our midst, taking from us a young mother.

Everything that medical aid and careful nursing could accomplish was done, but the ravages of disease conquered the body already weakened by the self-sacrificing, loving watching and nursing of little "Zenola" the daughter of the home.

While in a measure prepared, it was an appalling shock to the entire community to learn that on Thursday as the evening shades were thickening the gentle soul of Margaret, the wife and mother of the home was born out on that mysterious sea, where grief, sorrow and pain are unknown.

Margaret was the youngest daughter of Amos R. and Dora Hawk, and was born January 23rd, 1895, near East Danville, where her parents still live. She departed this life Thursday, Nov. 2, 1918, aged 23 years 9 months and 28 days.

She was the youngest of a family of six children: Homer L., William H., Charles O., Mrs. Maude Roler and Mrs. Bessie Euverard, all of whom are living except Charles O. who answered the call of his Father in Febin February, 1913.

On Nov. 3, 1915, she was married to Stephen H. Sonner, of Mowrystown, where she moved and lived until her death.

To this union were born two children, Zenola, aged 2 years and Earl H. aged 5 months. Little babes that will never know the tender, loving care of mamma, who loved them so much.

In early girlhood she united with the Church of Christ at Union, under the pastorate of Rev. Frank Fouse and was ever a true and devout follower of the lowly Nazarene. Her personality was very lovely, characterized by rare sweetness and thoughtfulness for others and whenever her help was needed she gladly spent herself. No call ever failed to meet with response.

Mr. and Mrs. Jas. Roads received three letters last week from their son, Fred, the first since Sept. 28.

"Somewhere in Belgium".

Oct. 8, 1918.

Dear Mother—I received two letters from you last week and was busy then and could not write. You wanted to know about my trip over. It took thirteen days and we certainly had fine weather, a little windy for two or three days. I did not get sea sick, but some of the boys sure did feed the fish.

It made me feel good when I found out you had heard from me at last. I must get every letter you have written to me. We are resting now and I hope we will get a good rest for this Division certainly needs it.

Oct. 26, 1918.

As I have a little time I thought of home. I got a bunch of papers from home the other day. I saw Walter Vanzant and he said you were still looking for letters from me. I suppose you have heard Raymond Stout was killed and Sergt. Dunlap was wounded and Walter Roads was gassed. We went through hell when we went "over the top" in the Argonne Forest battle.

Mother, just think it will soon be my birthday and I am in Belgium.

The Belgian people are coming back to their old homes for the first time in four years. All we see in Belgium is mud.

What are they all doing back in Ohio. I have not heard for awhile. When you send my Xmas box don't send anything but candy and cigaretts That is all I want and candy is scarce over here.

How many men did the new draft take from the old home town.

Oct. 27, 1918.

I received a letter from home today and was glad to hear.

I was sorry to hear of Edwin Rockels' death. Tell Bud Pearce I will write to him as soon as I have time.

Yes, you are right about the chicken and cake. I will not get any for my birthday dinner, but instead I will get hard tack and corn willie (salmon [illegible]). That's great.

I [illegible] the papers you sent me but [illegible] send a Cincinnati Times [illegible]

[illegible] do you think of the [illegible]

[illegible] Do you think any of the boys [illegible] home for Xmas? I do.

[illegible] it's time to go to bed so will [illegible] for this time. Love to all. From

Pvt. Fred W. Roads,

U. S. Army, France.

The following letter was received a few days ago by K. C. Raines from his brother, "Gash", who is now in Belgium:

Somewhere in Belgium.

Nov. 6, 1918.

Mr. K. C. Raines,

Dear Brother—A line to let you know I am O. K. and hope this finds you the same. I received the two copies of the Billboard that you sent and was glad to get them.

Mail is hard to get and to send now as they are keeping us on the move continually. This war game is certainly a hard grind, but I can't kick as I never felt better in my life. We have seen a great deal of France and are now starting in Belgium. Are you in on the draft?

It has been raining here for the past four days and is very cold. On the last front ten members of the band (I was one of them) were sent on ammunition detail. This detail goes right up to the front and of course the Germans are always looking for the ammunition. With their artillery fire they can shell the roads for miles with some of their big guns. We sleep anywhere we happen to be. I've gotten so I can sleep on rocks as well as in bed. The detail stopped in a woods for the night and we were all asleep when a German aviator dropped five bombs in the woods. Fortunately none of us were hurt. Four of us had made our bed under a big tree, but "something" changed our minds about sleeping there, so we "moved out" and just in time for one bomb dropped ten feet from the tree and all of us would have been killed. This is only one little example of what we are going through.

When you are about two miles from the front and lay down to try to sleep the Germans start with their shell fire. You can hear them coming through the air whistling before they burst and you don't know when one is going to "get you". It is all luck.

I could write all night if it would pass the censor, but it would not so I will close for this time with love and best wishes to all. Your brother,

Howard Raines.

CHRISTMAS EPIGRAMS

¶ It is a wise Santa who keeps his whiskers away from the candles.

¶ Better broken toys than broken hearts.

¶ Never look a gift in the price tag.

¶ Many a man puts on long white whiskers and thinks he looks like Santa Claus when he looks more like a goat—and perhaps he is.

¶ One thing they missed during the Spanish Inquisition—Christmas cigars!

¶ Shopping done in time is the noblest work of woman!

¶ A Christmas gift by any other name doesn't cost half as much.

¶ A gift in the hand is worth two in the postoffice.

¶ Many a man gets a girl under the mistletoe only to find himself, a little later, under her thumb.

¶ A pound of steak to a poor man is worth a ton of holiday greetings.

FROM OUR SOLDIER BOYS

Sloane Lemon Writes That He Expects to Be Home Soon.

Sergeant Leonard H. Fehner, Who Was Severely Wounded in The Hip Is Now Out of the Hospital—Other Letters.

Sloane Lemon in a letter to his father, W, E. Lemon, says:

Camp Mercer, France.
November 25, 1918.

Dear Father—I will write you a few lines to let you know I am O. K. and hope you are the same. This is supposed to be your Xmas letter as the captain told us we could write one to our father's without censor. I think we will be in the U. S. by Xmas, as we expect to leave by Dec. 6th. I can tell you when we left the U. S. and where we have been in France. We left New York Sunday Oct. 6, about 5 p. m. on the boat Cedrial. There were 14 ships sailed at the same time. The one I was on was the largest one and we were in the center of them all.

The Germans swore that they were going to get this ship, and believe me they came mighty near to it. There were 3 submarines following us from noon until 10 p. m.. Then they took 2 shots at us. They tore a hole about 15 feet long in our ship, but they kept the pumps going so we landed O. K. It happened the last night, the 17th and we were all glad to see land.

We landed at Liverpool, Eng. .This is as good looking city as I ever saw. The people sure gave us some reception. We stayed in England at the rest camp. Codford, for 3 days, then we went to South Hampton took the boat and crossed the Irish Sea. We landed in France at Cherbourg, walked 5 miles to a rest camp, stayed over night, walked back the next day. We were then loaded on the train in box cars. It said on the side of the car 8 horse or 40 men, and when we got 40 in a car it was so full we couldn't all sit down, and rode all night and all then next day and were all glad to get off of that train.

We had a wreck, killed 30 and crippled about 60. It was an awful sight to see—legs and arms cut off. Two had their heads cut off. There were several died on the ship. We only lost one from our battery and left 4 sick on the ship. but one of the other ships lost about 40. It looks pretty tough to see your comrades thrown over board. Then we landed at Bawell, stayed in an old convent in town which had 700 rooms in the house. It was built in 1630. We stayed there for 2 weeks then we came to "Mercer".

This is a regular U. S. Camp, but there are a lot of French soldiers here and about 3,500 German prisoners. They are funny looking fellows. They sure look at us as we pass them. They all say we were lucky in not getting over any sooner, but we sure have a lot of praise from the people and also officers.

I will write you as soon as we land. Hoping this finds you all well, I remain as ever. Your son,

Sloane Lemon.

France.
November 24, 1918.

Dear Dad—As this is the day set aside for writing to our Dads, I will write now before I go to town. This leaves me enjoying the best of health and hope by the time this reaches you it will find you the same. We are having fine weather here now, except it has begun to get pretty cold. But we have a good place to stay and plenty of blankets to keep us warm, so I don't worry a bit, and hope you don't worry about me for we will be at home before so very long as they have sent some out of this camp already and we are looking forward to a great time when we return to the states.

Well, as I have been away from the company since the 28th of Sept. I don't know how they all are or where they are now. When I left them they were on the front line at Verdun and so I had the chance of going "over the top" twice while I was there, before I was wounded and believe me it was the time of my life—something I never will forget and am certainly proud that I was one that helped to win the war and came out alright, as I am just as good as I was when I left there the 21st of June and expect to get back the sameway. I don't know how Willie is, as I have never heard from him since I left, but suppose he is alright.

Well, how are you getting along with the work? Suppose though you are nearly through with the fall work. Well I will be there in time to start the spring work so make arrangements to put out a big crop for I will need all I can get. I will have a good bunch of money when I get back as I have $200 coming now so that will come in mighty handy when I get back. Well the cooks here at camp have begun to clean turkeys for Thanksgiving so we sure will eat that day. I guess I will close for this time as I am going to town and I will write more later. Write as often as you can. I haven't got any of my mail since I left the company, but look for it every day. So good by for this time. With love to all,

your son, Sgt. Leonard H. Fenner.

C. C. Roush has received a letter from "Rich" Faris as follows:

Fort Leavenworth, Kan.
Dec. 11, 1918.

Dear friend Commodore—Although it has been many months since I have written you I can assure you that I haven't forgotten you entirely, but since I have also failed in getting some of the papers I thought possibly you might be just a wee bit angry at me for not writing. You will note that I am still stationed at Fort Leavenworth, and am still holding down a bed at the hospital. Twenty-two weeks last Friday since I came in with a broken hip, which is not a very bad record.

I was, indeed, sorry, to note the serious illness you had had in your own family, and I trust that at the present time all are well and happy.

I haven't the least idea when I will be able to get home, possibly shortly after the first of the year, but that is indefinite because as yet I am not able to walk or use the injured leg in any way, but barring any further complications it should be made all right within the next month or six weeks.

I hope you will not be offended at my long delay and I can assure you I will be glad to have a long letter from you at your earliest convenience. With kindest regards to everyone, I am yours very truly,

W. R. Faris.

The following letter from Paul D. Ogden was written to the Marshall Young People's organization before his departure for France

Camp Hill, Va.

Y. P. B. Friends—I received your letters this evening and was really glad to hear from you all. I enjoyed reading your letters very much, but I don't know how you are going to enjoy these few lines.

It is so hard for me to sit down and write a letter

Friends, I have found that the principle of what the Y. P. B. stands for has helped me very much. I have seen persons that yielded to the temptations, and I know what they say, and what other people say about them. Now, I am not saying that I never yield. I have experimented with those temptations that I might be able to tell you all something about what your work accomplishes as I see it, (sometime in the future).

Now, boys, whatever you do hold up for the Y. P. B. I am sure I always will.

We were to go across last Sunday, but on account of so much sickness we didn't. One fellow in this squadron died yesterday morning with the Spanish Flu.

I did not know the President read any of my letters to you all or I would have tried to write a more interesting letter. But if they passed, then it is alright with me.

There are a few of you folks whom I am not acquainted with but I am going to write you all individual letters.

I don't know whether I have written anything of interest to you or not. Thanking you all for your kindness and thoughtfulness and with regards to everyone

Everybody write soon.

Paul Dean

Part of a letter written home by Pvt. Leroy Vance, son of Mr. and Mrs. I. K. Vance, Hillsboro. It has the true ring of a loyal American boy. No whining from him, but is happy because of the privilege that came to him to "do his bit."

Rafeuil, Luxemburg.

Nov. 26, 1918.

Dear Father and Mother—We are in Luxemburg now and they say that we are going to Germany. This war is the same as over and I have been through some of it. I am feeling pretty good. I have not won any medals, but I could not say whether I have killed any Dutchmen or not. I have tried to. I have been in every battle the Rainbow Division has been in which is five, besides holding the front line trenches for three months. So you see we have seen some service. We have been in some of the biggest battles of the war and some small ones and I have never got a scratch from it and have always been ready for duty.

Private Leroy S. Vance,, Co. D. 166 Inf., 42nd Division, Rain bow.

Li Monges, France.

November 24, 1918.

Dear Father—This is Father's Day for the American E. F. boys in France and all are supposed to write a letter to father. As the censorship is lifted I can tell you where all I have been. I will try and explain my trip from the time I started until I arrived in France, but I will tell you more when I get back. We started from New York onAugust 31st and boarded the ship (which name was the Baltic) on September 1. We sailed and were on the water 13 days. We surely had a nice trip across the ocean. We went up around Canada and we landed in England on Septeber 13th at 6 p. m. and it was a great sight to me for the buildings in England are a lot smaller than the buildings in the U. S. A. and they are all built alike. We boarded a train at Liverpool at 8 o'clock a. m. the next morning and we traveled for 8 hours through England passing through some large cities. The country in England is very nice. It is surely kept clean. You don't see any brush of any kind lying along the railroad. We landed by train the same day at South Hampton where we stayed for two days for rest. Then we went down to the deck and boarded a steamer and landed in France at La Howe which and came across to France at LaHowe is a city of about 150,000 people and is a very nice city that is what I saw of it and the people surely gave us a royal welcome.

We stayed in this city for two more days and we boarded a train and rode for five days without getting off, only along at different stations. We landed then at St. Astier which is a small town away in the southern part of France toward Spain and is surely some nice country in that part of France. We stayed there for about 3 weeks and we again boarded a train for the Front which was about six days ride. We traveled along for four days when a bunch of us took Spanish influenza and were taken to Hospitals. I was among the bunch of the boys. I was not very bad and I am now in a convalescent camp which is used as a camp when you come out of a hospital to get straightened out again, but you need not worry about me now for I am feeling good again and have a very niee place here to stay. We have two stoves in the tent so we have a nice place. We have ball games every afternoon and play croqut and all kinds of games. They took our camp down at the Y. M. C. A. the other night to a band concert which was certainly fine. The city which our camp is located in has abou 150,000 people in it and is a very beautiful city. We get passes every other day to go around town to see the sights. The climate we are located in is warm, about the same climate as September in the states, but the nights are cool. There is one thing I want to mention—the Red Cross. They surely do treat the American boys good inthe hospital and you are surely taken good care of. Don't worry about me now for I am getting along fine again. We don't do any drilling here at all. I have explained all about my trip as I can think of in this letter, but will tell you more when I come home, but don't be surprised to get a letter from me in the states before long, for I think we are going to start back soon the way things look and what you see here, I wouldn't be surprised if we are not in the states by Xmas.

mentionit again.

With all the love I have to all

Your son, Pvt. William Robert Miller, Convalescent Camp No. 5 A. P. O. 753, France.

Birmingham Calls Hillsboro Man.

John Willene Duncan, only son of Mr. and Mrs. Will Duncan was offered and accepted a position in the Central High School of Birmingham, Alabama. He will teach in the Department of English and is splendidly equipped for the work. He graduated from the Hillsboro schools, then studied at Wooster one year, then took studies at the North-Western University, Chicago, to prepare him for advanced entrance standing at the University of Chicago where he received two degrees—Ph B. and Ph D. Birmingham is to be congratulated upon securing him.

Highland County Boy Honored.

Dr. John H. Berry, who resigned his position as Assistant Superintendent of the New State Hospital at Lima, Ohio, and volunteered in the medical department of the army, has been transferred from the StatePsycopathic Hospital at Ann Arbor, Mich., to the St. Elizabeth Hospital for soldiers and sailors at Washington, D. C.

Dr. Berry is given the rank of 1st Lieut. and a permanent position on the medical staff of this institution. This is a great honor for one of our Highland county boys for the institution to which he is assigned is one of the best of its kind in the world

The J. W. Evans family celebrated their first Christmas in the fine old Evans homestead with a strictly family dinner. Mr. and Mrs. Evans, their son, Lieut. Ervin Evans and bride, Mr. and Mrs. Norris Elliott (Anna Evans), Katharine Evans, Mrs. Alphonso Hart, mother of Mrs. Evans, Mrs. E. L. Ferris, an aunt, her daughter, Miss Margaret her son, E. L. Ferris, II, and Linton Hunnicutt, of Wilmington.

Lawrence E. Montgomery died at Wilmington last Sunday from an attack of influenza and the funeral and interment were at Lynchburg Tuesday. He had been connected with the Lynchburg News until a short time ago when he accepted a better position in Wilmington with the Journal-Republican. He leaves a widow and a son about one year old. Mr. Montgomery was a reliable and capable young man and well liked by all. The sympathy of his hosts of friends goes out to the stricken family.

Army Horses and Mules.

A sale of army horses and mules will be held at the remount station at Camp Sherman on January 4. Seventy-four animals will be disposed of, fifty-eight horses and sixteen mules. This is done to cut down the surplus supply of the army.

Christmas night Peace Lights were beaming from many windows. The Red Cross Rooms, the Court House, School Buildings many residences and some business houses were particularly attractive. The spirit of quiet was over all and showed that the true spirit of the lighting was felt.

Our Soldier Boys.

In a letter to his wife, written Nov. 29, Capt. Earle V. Miller states that he was slightly wounded by a bursting shell on Oct. 30, and was in a hospital for about four days when he rejoined his company. He also said that, at the time of writing, his regiment was moving toward France which would indicate that they might be on their way home.

Lieut. Sigel Mullenix is expected to arrive at home soon. It will be remembered that Lieut. Mullenix was severely gassed as was also Capt. Spencer of the Blanchester company. The latter in writing to his wife gave the information that they might be expected to arrive in the United States at any time. He also said they traveled from Belgium to southern France in "side door sleepers", no passenger coaches being available.

In assisting to arrest the participants in a street brawl in Washington, D. C., Calvin Workman, a nephew of C. L. Workman of this city, was shot in the hip about two weeks ago. The wound was only slight, however, and he has been discharged from the hospital. Young Workman, who was formerly in the employ of the Farmers & Traders National Bank here, is in the Marine service.

Carl Ebert has written from France that he expects to sail for home in a few days. The information was conveyed in a letter to his wife and was dated Dec. 3rd.

Harry Magill, who had been in an officers training school of the aviation service and stationed at San Antonio, Texas, has arrived at home, having been honorably discharged. He only lacked one month of finishing his course and receiving a commission.

George Winkle, of the New Market neighborhood, has returned from oversea duty. George was gassed and incapacitated for further service and is thought to be the first Highland boy from this vicinity to arrive at home.

Lieut. John Ballentine, of the U. S. N., is home on a furlough. His parents, Mr. and Mrs. George Ballentine motored to Columbus Saturday to meet him and remained over night with their daughter, Mrs. Roy Gusttin, and family. They all came down to the Ballentine home Sunday and remained for Xmas.

County Auditor-elect and Mrs. J. S. Kerns have received letters from their sons, Paul and Robert, from France. Robert is a gas locomotive engineer on a narrow guage railroad which is maintained by Uncle Sam. His "run" is from a village located 8 miles from Verdun to the Rhine and the road is used for carrying rations. Paul Kerns and "Flick" Mullenix are doing clerical work. All three of the boys have jobs that will likely keep them overseas for many months to come.

Capt. Harry T. Magill has been honorably discharged from the Aviation Service and is now at home. He had been at the Kelley Field in Texas. It certainly agreed with him as he looks to be in perfect health and all are glad to see him home.

When a bit of sunshine hits ye,
After passing of a cloud,
When a fit of laughter gits ye
An' ye'r spine is feelin' proud,
Don't fergit to up and fling it
At a soul that's feelin' blue,
For the minit that ye sling it
It's a boomerang to you.

—Capt Jack Crawford.

Lieut. George C. McConnaughey.

Wednesday's Cincinnati Enquirer gave a lenghty account of the death of Lieut. John Morrison, Cincinnati, and graphically described incidents of heroism preceding the fatal day, Oct. 15. Lieut. Morrison from Sept. 26, until his death inspired his comrades by his spirit and won their love. From the Argonne Forest to Molleville farm he was conspicious Daringly he strapped a telephone to his back and gaining a point far in advance, he directed the artillery fire in the face of almost certain death. He and Lieut. George McConnaughey had become warm friends and it was Lieut. Mc's fate to be one of his last comrades to speak to him as he pushed forward to return no more to them. The story runs thus:

Then dawned the fateful morning of October 15. When the infantry went over the top Lieutenant Morrison was with the first wave. When the doughboys stopped to reload their rifles he went on, telephone strapped to his back. Again, as on the preceding day, he established and maintained liaison with the artillery.

Repeatedly Lieutenant G. C. McConnaughey, of Hillsboro, Ohio, who was near him warned Morrison against the extreme danger of advancing further.

Always Morrison laughed his infectious laugh and answered: "The Boche is a poor shot and, you know our artillery must needs know at what it is shooting."

When found the Cincinnati boy was laying face down, with the transmitter of his telephone close to his lips, indicating that he had been directing the artillery fire when the bullet which found its way to his heart struck him.

The memory of the friendship and esteem of such a man as Lieut. Morrison must ever be sacred to his comrades. Lieut. McConnaughey is to be congratulated upon winning such a worthy and heroic man for a friend and to be permitted to see him as he went out to his final duty.

The Question.

When the last restriction's abated,
When butter and sugar and wheat
Return to the menus we've hated—
And really mean something to eat;
When nothing is non-essential
And living is normal again,
When gone is the life penitential—
Of what shall we all complain?

TRUCK LINES POPULAR

Neighboring County Seat Would Welcome New Mail Service.

In speaking of the proposed new mail routes, made possible by using the large army trucks which the government now has no need for since the war is over, the People's Defender of West Union says:

"Living in hopes, that is what we West Union people have been doing for many years, but just now our hopes were never more buoyed up. Here is an announcement that the government is going to place one of those big army trucks in operation between Cincinnati and West Union, which means that that highway, after the government has checked up on it and reported where repair is needed, will not long be delayed. Then over came a party of Kentucky citizens who urge the improvement of the old Zanesville trail through the country. Here is a criss-cross of main thoroughfare routes, and those people who have been poking fun that this was really one of the few county-seats in the country without railroad connection, will awaken to the fact that we are a junction at the crossing of two great highways, traveled by people from one end of the country to the other. The promoters of these projects will find Adams county generally helping to make them possible."

Lee Roy Carey's Fame.

G. W. Shockley, editor of the Saturday Globe of Oskaloosa, Iowa, who was born and reared in the New Vienna neighborhood, recently, while in a reminiscent mood, caused by reading "Colored Society Chat" in the New Vienna Reporter, wrote an article about the Gest Settlement in this county. TheReporter says the article was inspired by the item concerning the "brilliant reception given by Mr. Le Roy Carey, who is the Ward McAllister of the Colored Four Hundred." Mr. Shockley says in part:

"Last fall when I was back home I wandered out to the old settlement, just to see how it looked.

"Among the descendants of old 'Uucle John' is one Lee Roy Carey. He writes quite a good deal for the press of the doings of colored society, and especiallly of the Gest Settlement. We believe that if the metropolitan press discovered him he could have an assured berth, just like Walt Mason, Strickland Gilliland and other humorous writers."
